

# First Big Project ! The BYRON PETER CABIN at the Episcopal Conference Center

Byron Peter, his sister Phoebe and brother Seth spent many happy days at the ECC Camp, whose aim is to enhance the physical, emotional and spiritual well-being of young people.

It seemed a fitting place to begin the work of the Byron Peter Foundation.

With partial funding raised for the cost of materials (\$22,000—\$25,000), we moved forward and broke ground in Nov 2004.

A number of professional contractors, carpenters, roofers and electricians volunteered their labor and expertise, with lots of other volunteers pitching in. . . As fundraising continued.

In March 2005 the  
BYRON PETER CABIN  
was completed!
